

AC&M regular report on Russian mobile value-added services is released today presenting figures for the first quarter of 2011.

Please refer to our [Data Downloads](#) section to get the file.

For those who are interested in detailed insight into Russian Mobile VAS market we advice to [download recent presentation](#) of AC&M partner, Oksana Pankratova. Oksana spoke to the annual [World of Mobile Content Forum](#) held on June 9-10, 2011 at Moscow's Radisson Slavyanskaya hotel. Please note that the presentation is in Russian.
